

Dear GATE Parents/Guardians:

Please review the three elementary scenarios and the secondary scenario prior to connecting to the survey link provided in this email. The scenarios provided are the same as the ones that were viewed by participants who were able to attend the open house on December 8th. We have included their feedback on each scenario so that you can get a sense of how others have responded to each of the scenarios. The survey link is provided below and asks you to choose one of the three elementary scenarios and a North-South or East-West Secondary scenario. We would ask that you make one elementary and one secondary selection even if they are not your preferred choices. You are welcome to add comments to the opportunities and challenges selection in the survey. If you are commenting on a specific scenario please indicate that in your comments.

We have also included an evaluation feedback form that you can return to gproberts@cbe.ab.ca .

We would ask that you complete the survey and the evaluation form by December 30th, 2010.

Parent Survey Link <http://www.zoomerang.com/Survey/WEB22BML33J37Q/>

We will be reviewing all of the feedback received from all of the engagement meetings in January. A decision about any potential changes to the GATE locations within the city will be shared with parents and schools by the middle of February, 2011.

We thank you for your support throughout this process and value the thoughtful and caring responses of parents and staff.

Sincerely,

Joy Chadwick

System Principal, Learning Support

Evaluation – GATE Programming Stakeholder Engagement

November - December 2010

We would appreciate you taking a few minutes to complete this brief evaluation of the stakeholder engagement process. Your feedback will assist us greatly in determining how we can make improvements in our work. Thank you for your time and feedback.

What worked well for you in this process?

What could have been better?

Do you have any other comments?
